Dear Ms. Adams:

The District has completed its evaluation of the application for renewal of the Major Facility Review Permit for the following facility:

Facility Number	Application Number	Facility Name	Facility Address	Type of Operation
B2758	27668	Tesoro Refining and Marketing Company	Golden Eagle Refinery Solano Way Martinez, CA 94553	Petroleum Refinery
B2759	27668	Tesoro Refining and Marketing Company	Amorco Terminal 1750 Marina Vista Way Martinez, CA 94553	Petroleum Refinery

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision to issue the permit will consider any public and/or EPA comments on the proposed permit. The public comment period for the proposed renewal permit ended on February 26, 2019.

The District has considered all public comments and made changes to the permit deemed necessary in response to those comments. The District response to comments, the proposed permit, and the statement of basis are hereby provided to initiate the EPA 45-day review period.

The District response to comments, the proposed permit, and the statement of basis can be viewed on the BAAQMD website at: <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also post the documents on the EPA Central Data Exchange. If you have any questions regarding this project, please call Dennis Jang, Supervising Air Quality Engineer, at (415) 749-4707.
